2020 TAEF FELLOWS - SUPERVISOR EVALUATION FORM

Intern Performance Evaluation

An internship is a learning opportunity for students. Students should therefore receive feedback on their performance so that they can grow professionally. This form can be used to help the student learn what he or she did well and where he or she can improve. This form should be modified as appropriate. Please encourage students to have their internship site supervisor complete this evaluation. This evaluation can be done at the beginning of the internship and at the end.
