***Purpose: Applying to an internship in supply chain management***

To Whom It May Concern,

I am writing you to show that I am drawn to the opportunity of Supply Chain Management Internship as my graduation project at Tiamed through TAEF.

Currently majoring my last year in Industrial engineering at ENIB (National Engineering School of Bizerte) which has provided me, not only a great knowledge towards diverse themes, but also developed my passion toward some other themes such as warehousing, optimization techniques, production systems management, advanced planning and scheduling which boosted my analyzing capacities to the best. In addition, I am highly motivated to have a good command and gain more competence in these topics to be a top-notch in these fields.

Furthermore, I firmly believe that this opportunity will be the perfect gate for me to demonstrate my full technical capacity combined with my soft skills that I gained from several experiences in volunteering activities like public speaking, leadership, team work to name a few.

To sum up, this internship would be a valuable milestone in my long-term journey towards my ambitions which are training and consulting in supply chain management. An interview could be a perfect way for you sir to judge me.

Thank you for your time and consideration. I look forward to hearing from you soon.

Best regards,
