

NAOURES KHEDRI

Metrology and quality engineering student

PERSONAL PROFILE

I am a chemistry graduate from the Faculty of sciences of Tunis and currently a masters student in metrology and quality engineering at the National Institute of Applied Sciences and Technology (INSAT). I'm looking for a two months summer internship to boost my professional experience.

WORK EXPERIENCE

Research Intern

Faculty of Medicine of Tunis | Feb 2019 - June 2019

- Synthesized new molecules and tested their biological and chemical effect

Quality Assurance Intern

Hikma Pharmaceuticals | July 2018 - August 2018

- Assured the quality of produced drugs
- Wrote lab procedures
- Assisted QC inspections

EDUCATIONAL HISTORY

National Institute of Applied Sciences and Technology, University of Carthage

Masters in Metrology & quality engineering | Oct 2019 - On going

- I have gained knowledge in : Equipement qualification , quality, products quality control, ISHIKAWA Diagram, Validation of analytical methods using statistic tests

Faculty of Sciences of Tunis , University Tunis El Manar

Applied License in Chemistry | Sep 2016 - July 2019

- Speciality: Fine chemistry
- Minor in Environmental chemistry
- Thesis involved synthesizing seven new molecules and testing their biological and chemical effects
