Dear mr ;

I m writing to apply for the internship position that was listed in the FABSKILL Platform of recrutement.

When i first discovered the marketing internship offer with FABSKILL, I was so excited by the opportunity to complement my coursework with practical experience.

As a graduated in Marketing and a current student in the first grade of Digital Marketing Master at IHEC Carthage University, I found my passion for the Marketing and my skills make me a well-qualified applicant for this position.

I am confident, self-motivated, and a good communicator which makes promoting brands a passion for me.

I am really excited by the chance to contribute to this organization and to be a part of its success.

Therefore, by this cover letter, I want to show my motivation for the internship and I seek the financial and moral support of the TUNISIAN AMERICAN ENTREPRISE in this opportunity.

I look forward to your reply.

Sincerely,

LOBNA JELILI.
