

Dear The Tunisian American Enterprise Fund (TAEF) HR team,

*I am currently an postgraduate at the universiyt of Coventry Uk studying Pharmacology and drug innovation but I deffered my course to the next august. I read of your opening to provide a Placement for Students throught the year and I am very interested in the possibilities it offers. I am writing to explore the opportunity for employment with .*

*I am keen to be in an environment which is focused on industrial goals*

*Through lab sessions and trainings courses I have had the opportunity to explore many analytical techniques such as HPLC and GC and many others ,*

*Through my previous work experience I have gained excellent communication skills and all my work experience has involved working within a team-based culture. Whilst being at university I have really learnt to organize my time effectively and I always meet deadlines. I enjoy working independently as well as part of a team and I always volunteer to act as a team leader when the opportunity arises in practical lab sessions.*

*Through my recent degree course in the University of Sunderland I have been able to further develop my interest in Business and Marketing as well as improving my numeracy and entrepreneurial skills as it was a part of this course , I achieved 71% in my research project and believe that I am on track for a first class grading .*

I would be most grateful if you could consider me for any suitable positions within your company. I am available for interview at any time and look forward to hearing from you in due course.

Yours Sincerely

Marwa ZAGHDOUD
