Dear Sir or Madam,

I should be grateful if you would consider my application for the position required.

I am looking for a part-time internship where my academic background and personnel skills will allow me the opportunity of growth and development

I enjoy a wide variety of experiences in Marketing, Event directing, Public Relations, team Management. I was able to generate success in every event completed within business multiple organizations including JCI & Hult Prize.

Within my current position, as Marketing Manager for Junior Chamber International Tunis Business School, I am responsible for proposing and implementing marketing strategies that generate audiences for events and enhance the organizations network and brand image in addition to getting the attention of possible sponsors and partners I am very keen to take new responsibilities with bigger operations and high challenges. I am a fast learner and can adapt to new situations, moving from a content writer to a marketing director within 6 months of my enrollment with JCI and from a coach to a substitute trainer with ASIAO back when I did martial arts as a hobby.

I hope that you see my qualifications fit me for the position needed.

Looking forward to working with your esteemed organisation.
