Dear Hiring Manager,

I would like to introduce myself as an applicant for the Finance Intern position at “ Centre Financier Aux Entrepreneurs” (CFE). As a finance student at The High Institute of Management of Tunis, I am excited to be applying for this position. Over the past three years, I have become knowledgeable and well-versed in the field, and I feel confident in my ability to deliver in this position.

During my academic career, I studied a variety of courses that have given me the knowledge I know I need to be successful in the finance field. I was fortunate to have the opportunity to learn about macroeconomics, microeconomics, portfolio management, risk management, business, accounting, and human resources management.

I am an individual who pays very close attention to every single detail and I possess strong analytical skills. My oral and written communication skills are stellar. I perform well in fast-paced environments.

Methodical, rigorous and goal-oriented. I was able to highlight these qualities in other experiences. Always motivated and determined in all that I undertake. Moreover, I think I can bring you satisfaction in all the missions that you may have to confide in me.

Interning at CFE will give me opportunities to apply my skills, help the team to reach its goals, and grow as a young professional.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

CHERMITI Mouna
