1. What are you most passionate about learning — personally or professionally — and why?	- It's the combination of both of them and trying to reach satisfaction - learning cannot be dissociated from profession.
2. Can you walk me through the impact of a project that you worked on? <i>I'm learning what is important.</i>	- Being apart of GFE. (meeting with business women), learning about their lives & success. It's a big challenge to write about them. Very satisfying.
3. In what ways would you like to create value as an intern?	- I'm a person that like to have a variety experience - be creative - open to other experiences & opportunities - I want to keep on learning.
4. Why did you pick your major? <i>Studied at GFE and then I chose business & political science / Marketing, I needed to express ideas - sharpening your ideas. Medical school is too narrow for me, would lead me to one field.</i>	- I wanted to do medical & choose business & political science / Marketing, I needed to express ideas - sharpening your ideas. Medical school is too narrow for me, would lead me to one field.
5. How would your best friend describe you?	- I'm ambitious, I always try to follow my dreams, I'm charming, Patient & I'm here for people who need to me.
6. What's an accomplishment you're most proud of?	- The fact that I changed my major & holding to their dream. Being where I am is the big accomplishment.
7. What was your biggest mistake?	- I'm very sensitive, I suffered from my vulnerability. Let other people play with my feelings.

8. What do you do beside going to school?	- Photography. (Acting as a) - helped me gain confidence.
